BANGKOK COSMOPOLITAN LIONS CLUB

JOMTIEN BRANCH

The Jomtien Branch of the Bangkok Cosmopolitan Club was formed in September 2004 with six (6) members, after the winding-up of a full club which was chartered in March 2002.

We were invited to join the Bangkok Cosmopolitan Club as a Branch. The members of the new Branch wanted to concentrate on charity work and helping people less fortunate than themselves.

We are an English speaking Club with now ten (10) *active* members, men and women, who work tirelessly for our various projects. We also have two (2) friends who help us when necessary. Our members are from various countries and most are retirees and are able to devote much time to the club.

The money for our various projects comes from several events held throughout the year. The main fundraiser is, however, our Annual Charity Golf Event. We have so far raised over 300,000 baht. Saturday 31 May 2008 will be our fifth (5th) golf event.

We meet on the second (2nd) Wednesday of the every month, at various venues around the city.

We also attend many social and charity events of other service clubs and arrange fun activities ourselves such as go-karting and fishing trips.

Our annual subscription is 2,500 baht which includes International and District fees; we make no charge for our own club. All our activities are self funding. Membership of Lions International is by invitation only.

JOMTIEN BRANCH

Our Charity Work Includes The Following:

School in North of Thailand	Re-build. This is an on-going project and will take some time to raise the 2 ½ million baht it will take to build. See attached article
Laem Cha Bang School (Au Udon)	Lake Clean-up and Beach Clean-up (with the students from Regents School) Food Provision School Lunch Money Ping Pong Table Supplied Support for National Children's Day
Regents International School	Charity Help and Support
Clinic – Siam CC Road	Repainted Supplied Computer with the help of Horseshoe Point
Hearing Project	On-going project with our Audiologist and B P Hospital and with the help of the Hastings (UK) Lions Club. See attached article.
Jesters	Presence at Stall, and 'Guess the Name' of cuddly toy with the Regents School students to raise funds.
Mercy Children's Home	We had a mural painted at the old home and are now waiting to do the same at the new home, with the help of the Regents School students. Bicycles supplies. Big Cuddly Toy Donated
Pong Clinic	Wall Built. This small project, at their request, resulted in the building of a new clinic and nurses' home.
Banglamung Home for the Aged	Annual Day Out With Lunch. We have previously taken these charming people to HorseshoePoint and The Three Kingdoms Park. This year we are trying to take them to Underwater World.
